

# Swanson Group

## PREMIUM FIR SIDING

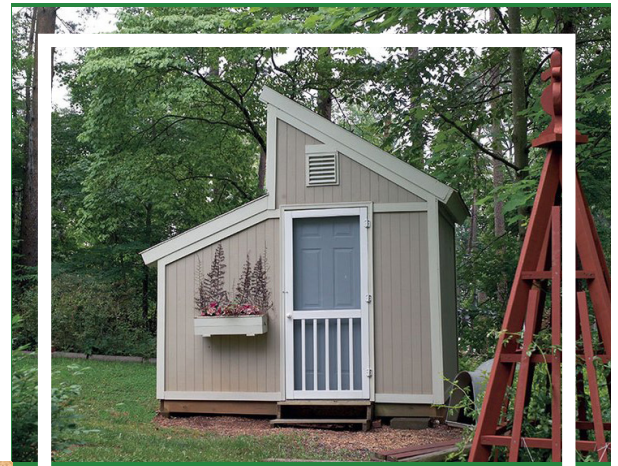

Swanson Group® Doug Fir siding comes in premium and standard grades. It combines the beauty of real saw textured wood with the ease of working with a plywood panel.

APA EVALUATION OF PS1 PATCH DESIGNS ALL SURFACE CHARACTERISTICS COMBINED		
	Butterfly Patch	Boat Patch
Douglas Fir	4.51	4.36
Southern Pine	4.44	4.52
Both Species	4.47	4.45

MADE IN USA | SUSTAINABLE | RENEWABLE | RECYCLABLE

## FEATURES & PROPERTIES

APA evaluation and testing show that the Swanson Butterfly Patches outperform the standard boat patch.

### BUTTERFLY PATCH FEATURED PROPERTIES:

- New and improved
- APA Tested
- Produced 4" OC, 8" OC, RBB, Ship Lap, and SE
- Interlocking grain for ease of installation
- Better gain match
- Better color match
