

PROTECTS YOUR PROPERTY.
RESPECTS THE ENVIRONMENT.

SUPERIOR HARDWOOD® SIDING

Beautiful to behold and plentiful in supply, Superior Hardwood® Siding provides the rustic look of Western Red Cedar.

The hardwood plywood panels are faced and backed with chain-of-custody certified African Okoume, offering the look and mold resistance customers desire.

Superior Hardwood® Siding's "in-the-field" applications include:

- Soffits
- Clear Siding
- Board-and-Batten
- Accent Walls
- Wainscoting

Swanson Group
